## Placement for Entry Level Math Courses

**The following placements are effective starting Fall 2024.**

<b>Math 106</b>	<p>C- or higher in both semesters of HS Math III or Algebra 2 OR an unweighted cumulative HS GPA of at least 3.2.</p> <p>Students who do not meet either criterion are placed into M106 with M86.</p> <p>Students who successfully completed Calculus or Precalculus in HS are NOT allowed to enroll in M106.</p>
<b>Math 115</b>	<p>C- or higher in both semesters of HS Precalculus OR B- or higher in both semesters of HS Math III or Algebra 2 OR C or higher in NVC's M106 or equivalent.</p> <p>Students who do not meet the listed criterion are placed into M115 with M87.</p>
<b>Math 120</b>	<p>C- or higher in both semesters of HS Precalculus OR B- or higher in both semesters of HS Math III or Algebra 2 OR C or higher in both M106 and M108 or equivalent</p> <p>Students who do not meet the listed criterion are placed into M120 with M88.</p>
<b>Math 130</b>	<p>C- or higher in both semesters of HS Math I, Math II, Financial Algebra or Statistics OR an unweighted cumulative HS GPA of at least 2.6</p> <p>Students who do not meet either criterion are placed into M130 with M81.</p>
<b>Math 232</b> <b>Math 80</b>	<p>C- or higher in both semesters of HS Math II, Financial Algebra or Statistics OR an unweighted cumulative HS GPA of at least 3.0.</p>
<b>Math 235</b> <b>(HS Only)</b>	<p>Students who do not meet either criterion are placed into M232 with M83.</p>

\*NOTE: Per AB1705 there is NO requirement for HS Grades to be current within a certain time limit.

**Math 81** Co-req for Math 130 students (required for placement 10). Students not enrolled in Math 130 are also welcome (for example chemistry or health occupations students who want a math refresher).
