Intravenous Therapy (I.V.) Certification Course

HEOC 90 (80384)

This course is designed to prepare students to administer intravenous fluids using the fundamental principles and competencies required to begin, maintain, and discontinue intravenous therapy. This is not a Phlebotomy course!

-If you have never taken a course at Napa Valley College, you must apply online here:

[Apply \(opencccapply.net\)](http://opencccapply.net)

Once you complete this application, it will take about 24 hours to receive your student number.

-You **must** have an RN or LVN license (or be enrolled in final RN or LVN courses). **All must be verifiable.**

- **Email a copy of your license to Cindy Miller, HEOC Administrative Assistant:**
cmiller@napavalley.edu

-HEOC will then email you a form to fill out (Prerequisite Challenge Form). This is your registration form. You will fill out the top section, and for the second section, place a check mark on line #1 and sign at the bottom of that section. Make sure to write clearly.

- **Email your Prerequisite Challenge Form back to: Cindy Miller**
cmiller@napavalley.edu

You will not be officially registered until you receive an email from Margarita Ceja, Admissions and Records Specialists at Napa Valley College. At that point, you will have only seven (7) days to pay your fees of approximately * \$214.00, includes class, syllabus/workbook, and lab pack (price subject to change). You may pay either in person at the Cashiers Office in Building 1500, or online through "Self Service" at [Cashier Office](#) webpage. Please note: Anyone requesting I.V. Certification from the BVNPT, will be required to submit a check made out to the BVNPT for \$50. More explanation during class.

You must attend all four days:

- 5/1/26 – 5/2/26 (8:00AM - 4:30PM, Building 800, Room 838 (5/1) and Room 814 (5/2)) and
- 5/8/26 – 5/9/26 (8:00AM - 4:30PM, Building 800, Room 814)

You cannot be late, and you cannot leave early.

1.5 units

\$46 per unit, plus other student fees apply

*If you cannot prove California residency of at least one year, you will have to pay out of state college fees.

PLEASE NOTE: If we do not reach the required capacity for this class, it will be cancelled.
