

Napa Valley College
INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)
Effective fall 2020 through summer 2021

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit students to transfer from Napa Valley College to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower division general education courses to satisfy general education requirements. Before you start working on general education courses, check what is recommended for your major and the campuses you're interested in. Some campuses may not accept IGETC; while others may require additional courses in addition to IGETC Certification. The IGETC is not advisable for all transfer students, especially those pursuing high unit majors. You may be better served by taking courses which fulfill the CSU General Education-Breadth requirements or those of the UC campus or college to which you plan to transfer. Please consult with a Counselor. Students pursuing an AS-T or AA-T degree must complete the entire IGETC pattern for either CSU (37 unit minimum) or UC (34 unit minimum). If transferring to a CSU campus, students must complete an Oral Communications course (Area 1C). Information on this form is subject to change.

By following the pattern of IGETC requirements, you will be eligible for:

1. Certificate of Achievement in IGETC (for CSU or UC): All requirements must be completed in either the CSU or UC option. Students must meet with a Counselor to complete this petition prior to the deadline. Completion of this local NVC Certificate of Achievement will be noted on the final transcript and allows you to participate in the annual graduation ceremony.
2. Certification of IGETC (for CSU or UC) Requirements: Students must request IGETC certification when requesting final transcripts to be sent from NVC to the CSU or UC transfer school. The transcript requests can be made online or at the Napa Valley College Admissions and Records office. Students may qualify for either full certification or partial certification.
 - Full Certification: All requirements must be completed using either the CSU or UC option. Obtaining full certification means you will not have to complete additional lower division GE requirements that may be required at the CSU or UC campus. The U.S. History, Constitution and American Ideals is not a part of IGETC Certification, however the courses that comprise this requirement can be used to satisfy subject Area 4.
 - CSU transfers: Students must complete the requirement in Oral Communications (Area 1C). Students do not need to complete a Foreign Language requirement for the Certification process. Some CSU campuses and/or majors may have additional language or course requirements for graduation from the CSU.
 - UC transfers: Students must complete the Foreign Language requirement. If you completed this requirement in high school or at another college, you will need to provide an official transcript from that institution. UC campuses may have additional graduation requirements – consult a Counselor for more information.
 - Partial Certification: Completion of all but two (2) courses on the IGETC pattern. Consult with a counselor for details.

Restrictions: Student who have been registered at a UC campus may not be eligible for IGETC. This restriction does not apply to students who have taken only UC summer session or Extension classes. Please check with General Counseling and ASSIST.org for current information.
